# Nexus Metalwork

# Our Advantage — Metalwork

A decade of supplying Haki,  
Mj-Gerüst, ALTRAD

Inspect **15%** more of our output  
than the competition

Provide quotation within **24 hours**,  
make sample within **7 days**

We own mature drop forging production line, laser cutting production line and automatic welding production line.

Our heavy-duty drop forged double and swivel couplers are fully compliant and tested to **BS EN74BB standard**

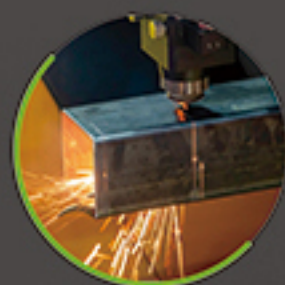

Site security guardrail systems to **BS EN13374** standard.

Stillages to **BS EN 13626** standard.

# 「BOX GUTTERS」

Multi angle drainage,Maximizing drainage efficiency

## BOX GUTTERS

It was designed and produced by our company are primarily utilized for drainage purposes on the roofs and floors of industrial plants. With delicate design, they facilitate multi angle drainage, thereby maximizing drainage efficiency.

- Multi angle drainage
- Sturdy and durable
- Anti-corrosion and rust resistant
- Pre-galvanizing and powder Coating
- Laser cutting and Laser welding

| Specification     | Box Gutter Outlet      |
|-------------------|------------------------|
| Item No           | NX-BG-001              |
| Material          | S235BJR                |
| Weight            | 0.94KG                 |
| Surface finishing | Powder Coated RAL 7016 |

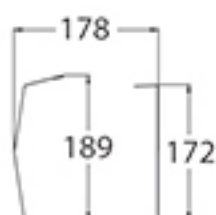

| Specification     | Internal Joiner        |
|-------------------|------------------------|
| Item No           | NX-BG-002              |
| Size(mm)          | S235BJR                |
| Weight            | 0.25KG                 |
| Surface finishing | Powder Coated RAL 7016 |

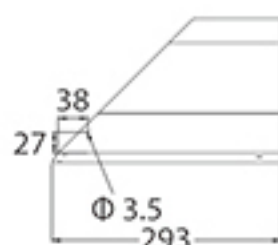

| Specification     | Left End Cap           |
|-------------------|------------------------|
| Item No           | NX-BG-003              |
| Size(mm)          | S235BJR                |
| Weight            | 0.26KG                 |
| Surface finishing | Powder Coated RAL 7016 |

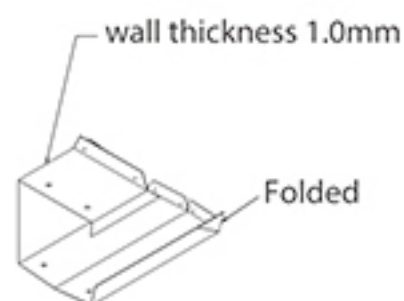

| Specification     | Right Angle Gutter     |
|-------------------|------------------------|
| Item No           | NX-BG-004              |
| Size(mm)          | S235BJR                |
| Weight            | 1.37KG                 |
| Surface finishing | Powder Coated RAL 7016 |
